1.2 COMPANY BACKGROUND

Country Agro International (Pvt) Ltd is a privately owned Zimbabwean company which is now spreading its portfolio to the transport sector. We aim to become a preferred partner in local conveyance of goods to and from any destination in Zimbabwe. We strive to build relationships with our clients, persistently achieving an understanding of their current, as well as future requirements. Country Agro International has modern, well maintained, trucks and trailers arriving on time to pick up or deliver the cargo. The vehicles have Insurance cover and are fitted with satellite tracking system, monitored in-house as well as 24-hour cellphone contact. Our drivers, holders of Defensive Driving Certificates, are all well trained in transporting food commodities and are fully aware, and sensitized, of the service standards required to satisfy our customers.
